Dear Mr Robertson

I refer to your emails of 23 and 24 July 2015 about the current circumstances at North Sydney Council.

I am aware of the matters raised in your emails and I am monitoring the situation at the Council.

I appreciate that this is a difficult situation for all parties involved. However, all individuals have a responsibility to ensure that working relationships are productive and professional despite any personal differences that may exist.

Finally, I have noted your reference to possible "industrial remedies". Ultimately, it is for individuals to determine what, if any, action they are able to take in relation to their employment.

Yours sincerely

Marcia Doheny
Chief Executive
